Prince`s Links

- **Day 4**
- Breakfast im Falstaff Hotel / Victoria Hotel in Canterbury

Hever Castle Golfclub

9 holes Prince Course (optional)

- **18 holes on Championship Course**
- optional dinner

The Championship Course, comprised of the Kings and Queens 9s, was showcased on Sky Sports as a venue for the EuroPro Tour in 2010. It has also hosted many other prestigious events including The Kent Open and Kent PGA Championship and has provided a fitting examination for many PGA Professionals, however with numerous teeing positions the course becomes a gentler, fairer and truly enjoyable game of golf for all abilities.

At a glance of the scorecard one of the longest holes in Europe, the 644 yard Par 5 seventeenth hole, certainly stands out; but Hever Castle Golf Club boasts an array of stunning holes across it's 7002 yard, par 72 layout. The delightful short sixth and eighth holes on the front nine are both played over water, and a beautiful stretch of holes from the eleventh to the thirteenth (Hever Castle's very own "Amen Corner") where carries over water and small slick greens have to be negotiated to keep your scorecard intact

Golf first featured in the 1920s when a private 9 hole links Course was built for Astor's personal enjoyment in the grounds where today's Championship course lies North of the Hever lakes. The original course survived until the 2nd World War when it was sadly abandoned during the War effort.

The Hever Castle Championship Course

Created in 1992 comprises the Kings and Queens nines, where the land's natural beauty and contours gives each hole its distinctive character. One of the longest holes in Britain, the 644 yard Par 5 seventeenth hole, certainly stands out, however the course boasts an array of stunning holes across its 7002 yard, par 72 layout.

The Princes Course

Created in 1998, 2784 yard Par 35 Course which has a wonderful layout and built to the highest specification. Although shorter in length from the Championship Course it provides a good test of golf, where accuracy is important, especially on the par 3 – 3rd and 6, both played over picturesque lakes.

Princes Course available from 07.00 onwards (rounds takes 2hrs)

- **Day 5**

- Breakfast im Falstaff Hotel / Victoria Hotel in Canterbury
- Check out
- 18 holes in Echtinghill
